# Liberty County Industrial Authority

## NOTICE OF SOLICITATION FOR REQUEST FOR PROPOSALS

### Landscape Management Services

The Liberty County Industrial Authority (LCIA or Owner) is seeking a contractor to provide complete landscape management services for the following locations: Tradeport East Business Center, Tradeport West Business Center, Midway Industrial Park, LCIA Office Building, MidCoast Regional Airport, and Sunbury Cemetery.

Offerors are notified that they may submit proposals for any one or all of the various Properties identified in the RFP and made a part of the Proposal Form, and that the Owner shall be entitled to evaluate and award the contract opportunity as to each such Property. In this connection, the Owner shall be entitled (in its discretion) to treat the Proposal submitted by the Offeror as discrete and separate proposals as to each of the Properties identified and accept or reject each such Property-specific proposal as the Owner determines appropriate. Offerors are further advised that Offerors who submit a Proposal as to some, but not all of the Properties, may have their Proposal(s) rejected by Owner in the event that Owner elects to award one contract as to all of the Properties, notwithstanding the fact that said Offeror's proposal may be evaluated as more advantageous to any one Property.

Proposal packages may be picked up at the LCIA office located at 425 W. Oglethorpe Hwy., Hinesville, GA 31313 from 9:00AM – 5:00PM, Monday through Friday beginning on Wednesday, June 27, 2018, or on the LCIA's website at [www.lcda.com/About-Us/RFPs](http://www.lcda.com/About-Us/RFPs). Any Offeror obtaining a proposal package from the website **MUST** also contact the LCIA by mail at the address above or email at [Rena.Middleton@lcda.com](mailto:Rena.Middleton@lcda.com) to promptly notify the LCIA of its desire to submit a proposal.

Instructions for preparation and submission of a proposal are contained in the proposal package. Only completed proposals will be considered.

A **Mandatory** Pre-Proposal Conference will be held at 10:00AM on Friday, July 13, 2018, at the LCIA office located at 425 W. Oglethorpe Hwy., Hinesville, GA, 31313. Project scheduling, coordination requirements and questions will be addressed at this time.

Sealed proposals will be accepted at the LCIA office located at 425 W. Oglethorpe Hwy., Hinesville, GA 31313 until 10:00 AM Friday, July 31, 2018, at which time they will be publicly opened. No extension of the proposal period will be made, unless notified in writing.

The LCIA reserves the right to reject any and all proposals, with or without, just cause, to waive minor technical errors and informalities, or to accept the proposal which, in its judgment, is in the best interest of the LCIA.

Liberty County Industrial Authority

- Minority and Women Business Enterprise Good Faith Effort - Form F-3 (If Required)
- Local Preference – Form G
- Certificate of Insurance

Liberty County Industrial Authority

LANDSCAPE MANAGEMENT SERVICES

INSTRUCTIONS TO OFFERORS

1. Due Date: Sealed proposals must be received no later than **10:00 AM Tuesday, July 31, 2018** at 425 W. Oglethorpe Hwy., Hinesville, GA 31313 ATTN: Rena Middleton.
2. Terms: Wherever used in this Request for Proposals and any documents issued in connection herewith, the terms owner or LCIA refer to Liberty County Industrial Authority.
3. Signature on Proposal: In addition to executing all forms, affidavits, and acknowledgements for which signature and notary blocks are provided, the Offeror must correctly sign the Proposal Form. If the proposal is made by an individual, that person's name and business address shall be shown. If made by a partnership, the name and business address of an authorized member of the firm or partnership shall be shown. If made by a corporation, the person signing the proposal shall show the name of the state under the laws of which the corporation was chartered. In addition, the proposal shall bear the seal of the corporation. Anyone signing the proposal as agent shall file with the proposal evidence of his authority to do so.
4. Familiarity of Laws: The Offeror is assumed to be familiar with all federal, state, and local laws, ordinances, rules and regulations that in any manner affect the work. Ignorance on the part of the Offeror will in no way relieve Offeror from responsibility.
5. Qualifications of the Offeror: The contract, if awarded, will only be awarded to a responsible Offeror who is qualified by experience to do the work specified herein. The Offeror shall submit with its proposal satisfactory evidence of experience in similar work and show that it is fully prepared with the necessary organization, capital, and equipment to complete the work to the satisfaction of the LCIA.
6. No Offeror shall submit more than one proposal: Offerors shall be disqualified and their proposals rejected if the LCIA has reason to believe that collusion may exist among the Offerors; the Offeror has defaulted on any previous contract; or is in arrears on any existing contract, or for failure to demonstrate proper licensure and business organization.
7. Submission of Proposal: Submit **1 (one) original and 6 (six) copies** of the proposal forms and other requested attachments at the time and place indicated herein, which shall be enclosed in an opaque sealed envelope, marked with the project title and name and address of the Offeror and accompanied by the required documents.

**ANY PROPOSAL SUBMITTED AFTER THE ACTUAL OPENING OF SUBMITTED PROPOSALS, WILL BE RETURNED TO THE OFFEROR UNOPENED.**

**THE REQUIRED DOCUMENTATION FOR THE MINORITY EMPLOYMENT PROVISIONS (SECTION 900) MUST BE SUBMITTED IN A SEPARATE SEALED OPAQUE ENVELOPE, MARKED WITH THE PROJECT TITLE, NAME AND ADDRESS OF THE OFFEROR.**

Each Offeror is responsible for seeing that his Proposal is received by the Owner not later than the advertised time set for the opening of Proposals.

8. Modification and Withdrawal: Proposals may be modified or withdrawn by an appropriate document duly executed and delivered to the place where proposals are to be submitted at any time prior to the time and date the proposals are due. No proposal may be withdrawn after opening for a period of sixty (60) days.
9. Proposal Documents: The Request for Proposal will be available for download on **Wednesday, June 27, 2018** on the LCIA's website [www.lcda.com/About-Us/RFPs](http://www.lcda.com/About-Us/RFPs). However, any Offerors obtaining a proposal package from the LCIA's website must also contact the LCIA by mail at the address listed above in item #1 or by email at [Rena.Middleton@lcda.com](mailto:Rena.Middleton@lcda.com) to promptly notify the LCIA of its desire to submit a proposal. Any Offeror failing to notify the LCIA as aforesaid shall not receive addendums or other notices relevant to the RFP and may be disqualified from participation. A hardcopy may be obtained at 425 W. Oglethorpe Hwy., Hinesville, GA 31313 on **Wednesday, June 27, 2018 at 9:00 AM**.
10. Opening of Proposals: Sealed proposals will be received immediately following the time required for such proposals (i.e. Tuesday, July 31, 2018 at 10:00 AM) at the offices of Owner located at 425 W. Oglethorpe Hwy., Hinesville, Georgia 31313. All **sealed, timely, and properly notated proposals will be opened** so as to avoid disclosure of contents to competing offerors. **All opened proposals will be evaluated**. The attendance of offerors at the time and place fixed for opening of proposals is not mandatory.
11. Proposal Form: All blanks on proposal forms must be completed in ink or typewritten. The proposal shall contain an acknowledgement of all Addenda (the numbers of which must be filled in on the Proposal Form). In making its proposals, each Offeror represents that it has read and understands the proposal documents and that the proposal is made in accordance therewith, including verification of contents of proposal package against the Checklist.
12. Basis of Award/Right to Reject or Award: The LCIA reserves the right to reject any and all proposals, make modifications to the work, and waive any informalities or irregularities in proposals as it deems appropriate.
13. Contract Award: Offerors are notified that they may submit proposals for any one or all of the various Properties identified as A through F on the Landscape Maintenance Pricing Sheet made a part of the Proposal Form, and that the Owner shall be entitled to evaluate and award the contract opportunity as to each such Property. In this connection, the Owner shall be entitled (in its discretion) to treat the Proposal submitted by the Offeror as discrete and separate proposals as to each of the Properties identified, and accept or reject each such Property-specific proposal as the Owner determines appropriate. Offerors are further advised that Offerors who submit a Proposal as to some, but not all of the Properties, may have their Proposal(s) rejected by Owner in the event Owner elects to award one contract as to all of the Properties, notwithstanding the fact that said Offeror's proposal may be evaluated as more advantageous as to any one Property.
  - a. It is anticipated that within ten (10) days of receipt of the Notice of Award, the Offeror will execute the Contract with the LCIA. A preliminary form of the Contract to be executed by the parties is made a part of this Request for Proposal; provided, however, that the final form and content of such Contract shall be as required by the LCIA.
  - b. The submission of proposals hereunder shall invest Offeror with no interest, right or claim of any kind with respect to the contract to be awarded. Furthermore, Owner reserves the right to reject all proposals in its absolute discretion for any reason whatsoever, with or without cause, and thereafter re-advertise the contract opportunity.
  - c. Owner also reserves the right to waive all informalities not involving price, time or changes in the Work. Discrepancies between the multiplication of units of Work and unit prices will be resolved in favor of

the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum. Discrepancies between words and figures will be resolved in favor of the words.

- d. Owner will award the Contract in accordance with the following procedure: Offerors who fail to provide all properly executed documents by the time specified will be deemed non-responsive and will be eliminated from consideration. Offerors to whom Owner does not assign an aggregate score of at least 87 points under the "Evaluation Factors" described below, based on Owner's review of the Offerors' proposals, will be deemed not responsible and also will be eliminated from consideration. Owner will deem all remaining Offerors to be reasonably susceptible of being selected for award and may give such Offerors an opportunity to participate in discussions, negotiations and revisions of their proposals (including the terms and conditions of the Contract), in order to obtain their best and final offers; provided that Owner reserves the option to select the successful Offeror from the submittals without engaging in such discussions, negotiations and revisions. If only a single Offeror remains, Owner will deem and determine (in writing) its offer to be most advantageous to Owner, and, subject to its right to reject any such proposal or engage in further discussions, negotiations and revisions with said Offeror, will award the Contract to such Offeror.
  - e. Owner may assign to each proposal the maximum number of points indicated for each factor, based on its review of each Offeror's proposal: Related Experience - up to 20 points; Management Capability - up to 25 points; Contract Price Provisions – up to 95 points; Operational Capability (to include, without limitation, financial resources) - up to 25 points; Adequacy and Ability of Personnel - up to 15 points; Minority Employment Provisions – up to 30 points; and Local Preference – up to 10 points. In the event of a tie between two or more remaining Offerors, and following any discussions, negotiations, or revisions as permitted under the RFP, the owner will select the proposal it determines (in writing) to be the most advantageous in its sole and absolute discretion, and, subject to its right to reject any such proposal, Owner will award the Contract to such Offeror.
  - f. Owner may conduct such investigations as Owner deems necessary to assist in the evaluation of any proposal and to establish the responsibility, qualifications and financial ability of Offerors.
  - g. If the contract is to be awarded, it shall be made to the responsible and responsive Offeror whose proposal is determined by Owner (in its sole discretion) to be the most advantageous, taking into consideration the evaluation criteria set forth herein, and, accordingly, Owner is not required or otherwise obligated to accept the proposal submitted containing the lowest contract price.
14. Contract Term: The Landscape Management Services Agreement shall be awarded for a term of thirty-six (36) months.
  15. Mandatory Pre-Proposal Conference: A **mandatory** pre-proposal conference will be held at **10:00AM on Friday, July 13, 2018**, at the LCIA office located at 425 W. Oglethorpe Hwy., Hinesville, GA, 31313. Project scheduling, coordination requirements and questions will be addressed at this time
  16. Interpretations: No oral interpretations will be made to Offerors as to the meaning of the Scope of Work. Requests for interpretation of the Scope of Work must be made in writing to the Authority no later than seven (7) days prior to the date set for receipt of proposals, and failure on the part of the successful Offeror to do so shall not relieve said Offeror of its obligation to execute such work in accordance with a later interpretation by the LCIA. All interpretations made to Offerors will be issued in the form of addenda to the Scope of Work and will be sent to all Offerors. Such addenda are to be covered in proposal, and in closing the Contract they will become a part thereof.

17. Examination of Proposal Documents, Other Data, and Site:

- a. It is the responsibility of each Offeror before submitting a proposal:
  - i. to examine and study thoroughly the Proposal Documents and other related data identified in the Proposal Documents;
  - ii. to visit the work site to ascertain by inspection pertinent local conditions such as location, character and accessibility of the site including existing surface and subsurface conditions in the work area; availability of facilities, location and character of existing work within or adjacent thereto, labor conditions, etc.
  - iii. to become familiar with and satisfy Offeror as to all federal, state, and local Laws and Regulations that may affect cost, progress, or performance of the Work;
  - iv. to study and carefully correlate Offeror's knowledge and observations with the Proposal Documents and such other related data;
  - v. to promptly notify Owner of all conflicts, errors, ambiguities or discrepancies which Offeror has discovered in or between the Proposal Documents and such other related documents;
  - vi. to agree at the time of submitting its Proposal that no further examinations, investigations, explorations, tests, studies or data are necessary for the determination of its Proposal for performance of the Work at the price proposed and within the times and in accordance with the other terms and conditions of the Proposal Documents;
  - vii. to become aware of the general nature of the work to be performed by Offeror and others at the Site that relates to the Work as indicated in the Proposal Documents;
  - viii. to become aware of the general nature of the work to be performed by Contractor and others at the Sites that relates to the Work as indicated in the Proposal Documents;
  - ix. to determine that the Proposal Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work.
- b. The submission of a Proposal will constitute an incontrovertible representation by Offeror that Offeror has complied with every requirement of this Section 15, that without exception, the Proposal is premised upon performing and furnishing the Work required by the Proposal Documents and applying any specific means, methods, techniques, sequences, and procedures that may be shown or indicated or expressly required by the Proposal Documents, that Offeror has given Owner written notice of all conflicts, errors, ambiguities, and discrepancies that Offeror has discovered in the Proposal Documents and the written resolutions thereof by Owner are acceptable to Offeror, and that the Proposal Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performing and furnishing the Work.

18. Insurance: All Offerors shall include as part of their proposal a current Certificate of Insurance detailing the company's insurance coverage including the required minimum coverages listed below (A). In the event that Offeror is notified of award, it shall provide proof of Insurance Coverage in accordance with Items (A) & (B) below within fourteen (14) calendar days after notification or within such approved extended period as the Owner may grant. Failure to provide proper proof of insurance coverage shall constitute a default. The following minimum limits must be maintained during the duration of the Contract without exception and failure to do so shall constitute a default.

a. **Minimum limits**

- |                                  |                            |
|----------------------------------|----------------------------|
| i. Commercial General Liability: | \$1,000,000 per occurrence |
| ii. Automobile Liability:        | \$1,000,000 per occurrence |
| iii. Workers Compensation:       | Statutory                  |

b. Please include the following on the certificate of insurance

- i. Reference the LCIA and contract number on the certificate.
- ii. All coverage must be written with an insurance carrier that has an A.M. Best's Key Rating of at least A and a financial rating of VII.
- iii. State additional insured on certificate and mark box with a "Y" for certificate holder as additional insured. Additional insured: the LCIA must be individually listed as additional insured with respect to all coverage, except workers compensation and employers liability.
- iv. General liability must include contractual liability.
- v. A 30 days notice of cancellation is required.
- vi. All auto policies need to cover "any Auto" or "Hired, Non-Owned and scheduled.
- vii. An authorized agent must sign the certificate. Certificate Holder MUST Read:

Liberty County Industrial Authority  
425 W. Oglethorpe Hwy., Hinesville, GA 31313

19. Indemnification: The successful Offeror shall fully indemnify and hold harmless the LCIA from and against all claims, damages, costs and losses arising, in whole or in part, from the Contractor's negligence or breach of contract, as more fully set forth in the Contract form, provided herein.

20. Clarifications:

- a. The landscaping maintenance schedule for each property is left up to the discretion of the Offeror when it is not otherwise specified in the Scope of Work. The maintenance schedule should reflect the season. The LCIA Office Building (Section E, Form D) landscape maintenance will **NOT** be done on Mondays.
- b. The properties for which Offerors are submitting proposals will be turned over to selected Contractor in "as is" condition. No additional maintenance, aside from the current maintenance will be performed. Once the service contract agreement has been signed, it will be the responsibility of the Contractor to ensure that the property meets the specifications outlined in the Scope of Work from that point forward.
- c. Offerors should bid work that is presented in the Scope of Work and not base Offers on work that is currently being performed at any of the properties or pricing that currently exists.
- d. Offeror's reporting forms included within Scope of Work section are not required for proposal submission. They are incorporated so Offerors understand the Contractor's reporting requirements.

21. All proposals shall include **1 (one) original and 6 (six) copies** of the following documents:

- a. Basic Organization Information – Form A
- b. Affidavit of Non-Collusion – Form B
- c. Proposal Form – Form C
- d. Schedule of Prices – Form D
- e. Additional Evaluation Factors – Form E
- f. Nondiscrimination Statement – Form-1
- g. Proposed Schedule of M/WBE Participation – Form F-2

- h. Minority and Women Business Enterprise Good Faith Effort – Form F-3 (If Required)
- i. Local Preference – Form G
- j. Certificate of Insurance

20. Proposals Binding On Offeror. Offerors will be required to honor their proposals for a minimum of sixty (60) days following opening of such proposals; provided that any Offeror that is determined by the Owner to be unlikely of being selected for award of the contract opportunity shall be released from its proposal as soon as practicable.
21. Public Records. Offerors are advised that the contents of any proposal and all documents and information submitted in connection therewith may be subject to disclosure as required by The Georgia Open Records Act and any and all other applicable laws, and Offeror does hereby release and forever discharge Owner, and its members, officers, employees, representatives, and agents from any damage, losses, suit, costs, or other liabilities of whatever kind arising from such disclosure (whether or not permitted by applicable law). Without limiting the foregoing, Offerors are specifically advised that labeling information provided in proposals “proprietary” or “confidential”, or any other designation of restricted use will not protect the information from public view.
22. Not Binding on Owner. This Request for Proposal is not an offer to contract or a solicitation of bids, and any proposal submitted in response hereto, regardless of whether the proposal is determined to be the most advantageous proposal (or is in fact awarded), is not binding upon Owner, and does not obligate the Owner to procure or contract for any services. Owner will in no event be legally obligated or otherwise bound for any purpose unless and until all proposal documents (including, without limitation, the contract described herein) required by Owner are negotiated and fully approved and expressly accepted by the Owner in a duly called public meeting, as evidenced by Owner’s signature and delivery of on the contract provided for herein.
23. Proposal subject to Georgia Security and Immigration Compliance Act. This Request for Proposal is subject to the provisions of the Georgia Security and Immigration Compliance Act, and Offerors shall submit whatever affidavits, documents, and other evidence of compliance as may be requested by Owner from time to time in connection with its proposal and any contract entered into pursuant to this Request for Proposal. Without limiting the foregoing, Offerors are advised they will be required to submit proof of their registration with and continuing and future participation in the E-Verify program established by the United States Department of Homeland Security. Additionally, it is not the intent of this paragraph to provide detailed information or legal advice concerning the Georgia Security and Immigration Compliance Act, and all Offerors shall be solely responsible for independently familiarizing themselves with, and strictly observing, the requirements of said Georgia Security and Immigration Compliance Act.
24. Costs Incurred by Offeror. All costs, fees (including legal and engineering fees), charges, and expenses incurred by Offeror in connection with its proposal and participation in the RFP process, of whatever amount and nature, direct or indirect, shall be borne exclusively and completely by Offeror, and Owner shall have absolutely no liability or obligation of any kind for the same. In no event will any claim whatsoever be made against Owner, or its employees, agents, or consultants, for reimbursement of any costs, fees, charges, and expenses incurred during the preparation of any proposal or participation in the RFP process. **All proposals upon receipt by Owner shall become the property of Owner, without payment or reimbursement of any kind.**
25. Proposal not Subject to State Public Works Construction Law. This Request for Proposal is not subject to the provisions of the Georgia Local Government Public Works Construction Law, O.C.G.A. § 36-91-1 et seq. (the “Act”). Accordingly, Owner shall evaluate the proposals and select the Successful Offeror in whatever manner

it determines most appropriate and to its best advantage; it being noted that said evaluation and selection is anticipated to be accomplished as set forth in this Request for Proposals. Notwithstanding any provision of this RFP to the contrary, however, Owner shall be free to depart from the provisions of this RFP should it determine the same appropriate (in its sole and absolute discretion). Any such departure shall not entitle any Offeror to reimbursement of any costs, fees, charges or expenses incurred in connection with its Proposal or this RFP or otherwise subject Owner or its employees, agents or consultants to liability for any losses, damages, or other liabilities suffered by Offeror as a result of any such departure.

SAMPLE SERVICE AGREEMENT  
(To be completed upon award of contract)

COUNTY OF LIBERTY

STATE OF GEORGIA

**AGREEMENT FOR SERVICES**

THIS AGREEMENT FOR SERVICES (The “**Agreement**”) is made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between **LIBERTY COUNTY INDUSTRIAL AUTHORITY**, a public body having offices at 425 W. Oglethorpe Hwy., Hinesville, Liberty County, Georgia (hereinafter referred to as the “**Authority**”), and \_\_\_\_\_, having \_\_\_\_\_ a \_\_\_\_\_ mailing \_\_\_\_\_ address \_\_\_\_\_ of \_\_\_\_\_ (hereinafter referred to as the “**Service Provider**”).

**WITNESSETH:**

**WHEREAS**, the Authority requires the services of a qualified contractor to perform the services described on the attached **Exhibit “A”** (the “**Services**”); and

**WHEREAS**, the Service Provider desires to offer such services, and the Authority is willing to accept the same, on the terms and conditions set forth hereinbelow; and

**WHEREAS**, this Agreement awarded through a Request for Proposals opened on \_\_\_\_\_ (the “**RFP**”)

**NOW THEREFORE**, incorporating the foregoing recitals, and in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, the Authority and the Service Provider mutually agree and bind themselves as follows:

**1. Replacing Prior Agreements.** Any and all agreements, understandings, or contracts that may presently exist between the Authority and the Service Provider regarding the subject matter hereof, whether written or oral, are hereby mutually rescinded, canceled, and annulled.

**2. Services Provided.** During the term of this Agreement, the Service Provider agrees to perform the Services described on the attached **Exhibit “A”**, and will at all times during the term hereof faithfully, industriously, and to the best of the Service Provider’s ability, provide the Services described therein to the entire satisfaction of the Authority. Service Provider shall also fully and satisfactorily comply with and observe any and all additional requirements on the part of Service Provider to be performed or observed under the terms of the RFP.

**3. Term of Agreement; Termination.**

(a) Term. Unless sooner terminated as set forth herein, the Service Provider shall provide the Services specified in this Agreement for a period of 36 months, commencing as of the date hereof and terminating at midnight on \_\_\_\_\_, 20\_\_.

(b) Termination Generally. Notwithstanding any other provision of this Agreement to the contrary, the Authority may terminate this Agreement at any time during its term, for any or no reason, with or without cause, upon ten (10) days' written notice to the Service Provider of its intent to so terminate.

(c) Termination for Reasonable Cause. In addition to, and not by limitation of, the rights of the Authority specified in subparagraph (b) hereinabove, this Agreement may also be terminated by the Authority at any time without prior notice upon a determination by the governing authority of said Authority that "reasonable cause" exists for such termination. "Reasonable Cause" shall include, but not be limited to:

(i) Any act or omission which reasonably constitutes dishonesty, fraud, deceit, negligence, willful misconduct or recklessness; or

(ii) Inattention to, neglect of, or any other failure to competently perform the Services described hereunder in the manner and to the extent required by the Authority.

Upon the termination of this Agreement, neither party shall thereafter have any further rights, duties or obligations under this Agreement, but each party shall remain liable and responsible to the other for all obligations and duties hereunder accruing prior to said termination and for all acts and omissions of such party prior to such termination.

**4. Compensation**. In consideration of the satisfactory performance of the Service Provider's obligations in full under this Agreement, the Authority agrees to pay the Service Provider the weekly/monthly amount of \$ \_\_\_\_\_00; provided that the Authority shall be authorized to deduct, off set and otherwise withhold any amounts due hereunder for unsatisfactory performance of the Services or for amounts otherwise owing or which become due to the Authority. To the extent requested by the Authority, each Request for Payment submitted by the Service Provider hereunder shall be accompanied by evidence in form and content satisfactory to the Authority (including, but not limited to, certificates and affidavits of the Service Provider, or such other persons as the Authority may require) showing, without limitation, the following:

(a) the Services provided to date by the Service Provider;

(b) that the representations made by the Service Provider pursuant to Paragraph 5 hereof are truthful and otherwise correct as of the date of said Request for Payment; and

(c) that the Service Provider has complied with all of his obligations required to be performed or observed under this Agreement.

Notwithstanding the foregoing, however, at no time and in no event shall the Authority be obligated to pay the Service Provider if, in the sole judgment of the Authority, the Service Provider has not satisfactorily performed the Services in accordance with this Agreement.

Unless otherwise agreed in advance (and in writing) by the Authority, the Authority shall in no event be responsible for any costs, expenses, or other charges incurred by the Service Provider in the performance of this Agreement, and the Service Provider shall bear sole responsibility and liability for the payment of any and all such costs, expenses, or other charges without contribution or reimbursement of any kind from the Authority.

**5. Representations of Service Provider.** In order to induce the Authority to enter into this Agreement and provide the funds described herein, the Service Provider represents and warrants to the Authority as follows:

(a) Permits. To the extent required by applicable law, the Service Provider possesses, or will possess prior to undertaking the Services described herein, all necessary permits, authorizations, licenses, and other certifications and approvals which may be necessary to satisfactorily discharge the Services to be provided hereunder.

(b) Authority. This Agreement constitutes the valid obligations of the Service Provider, legally binding upon him and enforceable in accordance with its terms. No further consent or approval of any other party is required in connection with the execution, delivery, performance, validity and enforcement of this Agreement.

(c) No Material Litigation. There is no action, suit or proceeding pending or threatened against or affecting the Service Provider before any court, arbitral body, governmental department, commission, board or other federal, state, authority, or municipal instrumentality, agency or authority which might, in any one case or in the aggregate, materially or adversely affect the ability of the Service Provider to fully and satisfactorily discharge his obligations under this Agreement.

(d) Information. All representations, warranties and other information heretofore or hereafter furnished by the Service Provider to the Authority is or will be true and correct as of the date such information was furnished.

(e) Signatories. The individual or individuals signing this Agreement on behalf of Service Provider has or have the right, legal power and actual authority to bind Provider to the terms and conditions of this Agreement.

**6. Compliance with Laws; Taxes.** In the performance of this Agreement, the Service Provider agrees that the Services shall be conducted in full compliance with any and all applicable laws, rules, and regulations adopted or promulgated by any governmental agency or regulatory body, whether state, federal or local, having jurisdiction over the Service Provider or the Services. The Service Provider assumes full responsibility for the payment of all contributions, payroll taxes, or assessments as to any employees engaged in the performance of the Services hereunder, and further agrees to meet all requirements that may be specified under regulations of administrative officials or bodies charged with enforcement of any state or federal laws on this subject. The Service Provider assumes and agrees to pay any and all gross receipts, compensation, use, transactions, sales or other taxes or assessments of whatever nature or kind levied or assessed as a consequence of the Services to be performed or on the compensation to be paid under this Agreement.

**7. Relationship of Parties; No Benefits.** The parties intend that the Service Provider will perform his services as an independent contractor only, and nothing herein shall be construed to be inconsistent with such status. The Service Provider is not to be considered an agent or employee of the

Authority for any purpose, and will have no authority to bind the Authority or otherwise incur liability on behalf of the Authority except with the express prior written approval thereof. Furthermore, notwithstanding anything in this Agreement to the contrary, the Authority shall have no obligation to provide, and the Service Provider shall not be entitled to receive, any benefits that the Authority may provide for the Authority's employees, including, but not limited to, pension and annuity benefits, medical insurance, and sick, holiday and vacation pay.

## **8. No Liability of Authority; Indemnity; Release.**

(a) No Liability of Authority. The Service Provider will be entirely and solely responsible and liable for all acts and omissions of the Service Provider and his agents, employees, associates, and contractors while engaged in the performance of the Services contracted for hereunder, and the Authority shall in no event be liable for any injury or damage to person or property resulting from any such Services. Moreover, the Service Provider hereby fully assumes all risk and liability for damage or destruction to property and injury or death to person arising from his (or his agents', employees', associates' or contractors') entry upon the offices and other property of the Authority; it being acknowledged that (i) the Authority makes no representations or warranties about the condition or safety of such offices and other property, and specifically disclaims the same; and (ii) such persons enter the offices and other property of the Authority at their sole risk.

(b) Indemnification. The provisions of this Agreement notwithstanding, and in addition to any other indemnities in favor of the Authority specifically provided for herein, the Service Provider agrees to fully protect, defend, indemnify and save the Authority and its officials, representatives, agents, and employees harmless against and from any and all liabilities, claims, suits, proceedings, damages, demands, penalties, judgments, costs and expenses (including but not limited to litigation expenses and reasonable attorneys' fees) of every kind and nature, whether known or unknown, relating to or arising from, either directly or indirectly: (i) any Services performed under this Agreement by the Service Provider or his agents, employees, representatives, associates, or contractors; (ii) any act, negligence or omission of the Service Provider or his agents, employees, representatives, associates, or contractors; (iii) any breach, violation or nonperformance of this Agreement by the Service Provider, or any applicable local, state or federal statute, ordinance, law or regulation; (iv) entry by the Service Provider or his agents, employees, representatives, associates, or contractors upon the Authority's offices and other property; or (v) any damage or destruction of any property or injury or death to any person happening in the performance of this Agreement or by virtue of the Services provided hereunder. In case any action or proceeding is brought against the Authority by reason of any such claims, the Service Provider (upon notice from the Authority) covenants to resist or defend such action or proceeding by and through counsel reasonably satisfactory to the Authority; provided that if a court of competent jurisdiction determines that any of the provisions of this paragraph violate O.C.G.A. Section 13-8-2 and are applicable to this Agreement, the indemnity contained in this Agreement shall not extend to any indemnification which is prohibited by O.C.G.A. Section 13-8-2, but the remainder of this indemnification shall be unaffected.

(c) Release. The Service Provider, on behalf of himself and his heirs, executors, administrators, representatives, successors, and assigns (collectively, the "**Releasing Parties**") hereby releases, acquits, and forever discharges the Authority and its employees, officials, officers, agents, representatives, successors and assigns (collectively, the "**Released Parties**"), from any and all claims, claims for relief, actions, causes of actions (whether ex contractu or ex delicto), suits,

debts, liens, contracts, obligations, agreements, promises, representations, liabilities, demands, losses, damages, costs, penalties, and expenses (including, but not limited to, litigation expenses and reasonable attorneys' fees), of every kind or nature, whether known or unknown, joint or severed, fixed or contingent, relating to or arising out of, directly or indirectly those matters which the Service Provider has indemnified the Authority pursuant to subparagraph (b) above. Additionally, the Releasing Parties, and each of them, do hereby further covenant not to sue or otherwise seek recourse against the Released Parties, or any of them, on any such claim, demand, action, cause of action, suit, liability, indebtedness, duty, obligation or responsibility hereinabove released.

(d) **Insurance.** The Service Provider shall furnish to the Authority sufficient evidence of the existence of the following insurance coverages as required by the Authority or by the RFP in connection with this Agreement and the Services provided hereunder:

- |                                  |                            |
|----------------------------------|----------------------------|
| i. Commercial General Liability: | \$1,000,000 per occurrence |
| ii. Automobile Liability:        | \$1,000,000 per occurrence |
| iii. Workers Compensation:       | Statutory                  |

The provisions of this Paragraph 8 shall indefinitely survive the expiration or earlier termination of this Agreement.

**9. Non-Transferability.** This is a personal agreement between the parties hereto, and the Service Provider's rights and/or obligations under this Agreement may not be sold, transferred, assigned, pledged, or hypothecated in any manner without the prior written approval of the Authority.

**10. Severability of Provisions.** If any provision of this Agreement or the application of any such provision to any person or circumstance is held unenforceable or invalid for any reason, then provided that the essential consideration for entering into this Agreement on the part of any party is not unreasonably impaired, such provision or portion thereof shall be modified or deleted in such manner as to render this Agreement legal and enforceable to the fullest extent permitted under applicable law.

**11. Modification.** Any modification, amendment or other change to this Agreement, or additional obligation assumed, by either party in connection therewith shall be binding only if evidenced in writing signed by each party or an authorized representative of each party.

**12. Waiver.** No failure by the Authority to insist upon the strict performance of any term or condition of this Agreement or to exercise any right or remedy available to it will constitute a waiver. No breach or default of any provision of this Agreement will be waived, altered or modified, and the Authority may not waive any of its rights, except by a written instrument executed by the Authority. No waiver of any breach or default will affect or alter any term or condition of this Agreement, and such term or condition will continue in full force and effect with respect to any other than existing or subsequent breach or default thereof.

**13. Entire Agreement.** This Agreement constitutes the entire agreement of the parties with respect to the subject matters addressed herein, and supersedes any and all prior or contemporaneous agreements, discussions, representations or understandings between them, whether written or oral, with

respect to said subject matters. The Service Provider further acknowledges that no promises, representations, inducements, agreements, or warranties, other than those set forth herein, have been made to induce the execution of this Agreement by the Service Provider, and the Service Provider acknowledges that he has not executed this Agreement in reliance on any promise, representation, inducement, or warranty not contained herein.

**14. Neutral Construction.** The parties hereto acknowledge that this Agreement was jointly negotiated and reviewed by them, and therefore no provision of this Agreement shall be construed against either party by any Court or other judicial or arbitral body by reason of such party's being deemed to have drafted or structured such provision.

**15. Governing Law; Venue.** THIS AGREEMENT HAS BEEN EXECUTED IN THE STATE OF GEORGIA AND SHALL BE GOVERNED BY AND CONSTRUED IN ALL RESPECTS IN ACCORDANCE WITH THE LAW OF THE STATE OF GEORGIA. THE SERVICE PROVIDER AGREES THAT ANY ACTION RELATING TO, OR ARISING OUT OF, THIS AGREEMENT OR THE SERVICES PROVIDED HEREUNDER SHALL BE INSTITUTED AND PROSECUTED IN THE COURTS OF THE COUNTY OF LIBERTY, STATE OF GEORGIA, AND THE SERVICE PROVIDER AGREES TO SUBMIT, AND DOES HEREBY SUBMIT, TO THE PERSONAL AND EXCLUSIVE JURISDICTION AND VENUE OF THE SAID COURTS OF THE COUNTY OF LIBERTY, STATE OF GEORGIA.

**16. Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall serve as an original for all purposes, but all copies shall constitute but one and the same Agreement, binding on all parties hereto, whether or not each counterpart is executed by all parties hereto, so long as each party hereto has executed one or more counterparts hereof.

**17. Attorney's Fees.** In the event Service Provider should default under any of the provisions of this Agreement and the Authority should employ attorneys, accountants, or other experts or incur other expenses for the collection of amounts due it hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Service Provider herein contained for its benefit, the Service Provider agrees that he shall on demand therefor pay to the Authority the reasonable fees of such attorneys, accountants, or other experts and such other expenses so incurred by the Authority. Any attorney's fees required to be paid by the Service Provider under this Agreement shall include attorney's and paralegal's fees through all proceedings and other efforts, including, but not limited to, demands, negotiations, administrative hearings, trials, and appeals, court costs and reimbursable expenses of such attorneys.

**18. Survival of Representations.** All terms, conditions, covenants, representations, and warranties contained in this Agreement in favor of the Authority or any certificate or other writing delivered pursuant hereto or in connection herewith shall survive indefinitely (or for any lesser period stated herein) any investigation made by the Authority and the expiration of this Agreement.

**19. Additional Terms Applicable to All Services.** The following additional terms and provisions shall apply to all the services provided to the Service Provider under the agreement.

- b. **Waivers of Liens, etc.** The Service Provider shall pay promptly all bills, invoices and other charges for material, labor, machinery, equipment or any other services performed or used in connection with or arising out of the Services performed hereunder, and the Service Provider shall indemnify and hold Authority harmless from and against all losses, liabilities, suits, liens, judgments and other costs suffered or incurred in connection with the

nonperformance of this Paragraph 19. Should any liens or claims of lien be filed of record against any property of the Authority or third party, or should the Authority receive notice of any unpaid bill or charge in connection with the Service performed hereunder, the Service Provider shall immediately discharge the same either by satisfaction of said amounts claimed or the posting of bond as required by law. Upon the timely, written request by the authority, Service Provider shall obtain payment certificates from suppliers and subcontractors (in form and substance acceptable to the Authority), under which the suppliers and subcontractors waive the right to any liens to which they would otherwise be entitled. The Authority reserves the right, upon reasonable grounds, to pay any subcontractors or suppliers directly and deduct such sum from any payment due to the Service Provider.

- c. **Warranty of Service Provider.** The Service Provider shall fully guarantee and warrant, and does hereby fully guarantee and warrant, for a period of twelve (12) months following Completion of the Service (the "**Warranty Period**") that the Service shall be free from defect in material and workmanship, whether latent or patent, and constructed in accordance with the Agreement, and that unless otherwise specified, all materials and other components forming a part of the Service will be new. The Service Provider shall remedy, free of charge to the Authority, any part of the Service, which may be defective in materials and/or workmanship (or which do not conform to the Agreement). This warranty shall not apply to items requiring replacement because of normal wear and tear or due to the negligence of the Authority or the Authority guests, licensees, or invitees. Notwithstanding the foregoing, however, the liability of the Service Provider for any defect made known to the Service Provider by the Authority prior to, but not fully corrected by, expiration of the Warranty Period shall extend until such defect is fully corrected. This warranty is given in addition to all other guarantees and warranties of whatever kind, express or implied, of merchantability and fitness for a particular purpose, or otherwise arising by operation of law.
- d. **Alternative Dispute Resolution Not Mandated.** The parties acknowledge that the Authority shall not be bound by the provisions of O.C.G.A. § 8-2-35 et. seq., and may initiate and prosecute any action or proceeding authorized by law or in equity against Service Provider without complying with the pre-litigation notice provisions, procedures, and other requirements of said Code Sections. Notwithstanding the foregoing, to the extent the Authority voluntarily elects to comply with said notice provisions, procedures, and requirements, the Service Provider shall likewise be obligated to fully and strictly comply with and observe the same.
- e. **Safety.** The Service Provider shall be responsible for initiating and maintaining all safety precautions and programs in connection with the performance of this Agreement, and shall cause reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to (i) employees, subcontractors, and other Persons who may be affected thereby; and (ii) any property of the Authority involved with the Service.
- f. **Hazardous Materials; Mitigation of Environmental Damages.** The Service Provider shall not cause, permit or suffer any Hazardous Material to be brought upon, treated, kept, stored, disposed of, discharged, released, produced, manufactured, generated, refined or used upon, about or beneath the lands of Owner or Third Party, except to the extent the same is in compliance with all applicable Laws. As used in this Agreement, "**Hazardous Material**" means, without limitation, asbestos, radon, gasoline, urea formaldehyde, petroleum products, volatile organic compounds, explosives, radioactive materials, poly-chlorinated biphenyls or any hazardous, toxic or dangerous waste, substance or material defined as such

or any similar term, by, in or for the purposes of any applicable Law, including, without limitation, any substance now or hereafter defined as or included in the definition of "hazardous waste," "hazardous substance," "hazardous material," "toxic substance," "pollutant," or "contaminant" under any applicable Law.

- g. **Non-Discrimination; Equal Opportunity.** It is the policy of the Authority that minority and women owned business enterprises (MWBE) be given fair opportunity to participate in the performance of services for the Authority, and that the Service Provider will utilize minority and women owned subcontractors, consultants, and suppliers set forth in the RFP and the Service Providers proposal accepted by the Authority pursuant hereto further represents to the Authority and covenants as follows: (i) no person shall be excluded from participation in, denied the benefit of, or otherwise discriminated against on the basis of race, color, national origin, or gender in connection with any subcontract or consultant opportunities in the performance of the Services and that the Service Provider shall provide equal opportunity to all business persons seeking to contract or consult with the Service Provider in connection with the Services, including MWBEs.

PROPOSAL FORM

FORM C

1. The undersigned OFFEROR proposes and agrees, if this Proposal is accepted, to enter into an agreement with OWNER in the form included in the Contract Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Proposal Price and within the Proposal Times indicated in this Proposal and in accordance with the other terms and conditions of the Contract Documents.
2. OFFEROR accepts all of the terms and conditions of the Advertisement or Notice of Proposal and Instructions to Offerors. This Proposal will remain subject to acceptance for 60 days after the day of Proposal opening, or for such longer period of time that OFFEROR may agree to in writing upon request of OWNER.
3. In submitting this Proposal, OFFEROR represents, as more fully set forth in the Agreement, that:
  - (a) OFFEROR has examined and carefully studied the Scope of Work for the properties and contractual documents relative thereto, and has read all documents furnished prior to the opening of Proposals; and OFFEROR has satisfied himself relative to the work to be performed.
  - (b) OFFEROR further acknowledges hereby receipt of the following Addenda:

ADDENDUM NO.	DATE

- (c) OFFEROR has visited the sites and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance and furnishing of the Work.
  - (d) OFFEROR is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress, performance and furnishing of the Work.
  - (e) OFFEROR has given Owner written notice of all conflicts, errors, ambiguities or discrepancies that OFFEROR has discovered in the Proposal Documents and the written resolution thereof by Owner is acceptable to OFFEROR. The Proposal Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performing and furnishing the Work for which this Proposal is submitted.
  - (f) This proposal is genuine and not made in the interest of or on behalf of any undisclosed person, firm or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation; OFFEROR has not directly or indirectly induced or solicited any other Offeror to submit a false or sham Proposal; OFFEROR has not solicited or induced any person, firm or corporation to refrain from submitting a proposal; and OFFEROR has not sought by collusion to obtain for itself any advantage over any other Offeror or over OWNER.
4. OFFEROR will complete the Work in accordance with the Contract Documents for those prices shown on the attached Addendum entitled Schedule of Prices (which must be prepared by Offeror and returned with this Proposal Form).
5. The following documents are attached to and made a condition of this Proposal:

- (a) Certificate of Insurance for General Liability and Workers Compensation
- (b) The other forms made a part of the RFP, including Form A (Basic Organization Information), Form B (Affidavit of Non-Collusion), Form D (Schedule of Prices), Form E (Additional Evaluation Factors), Form F-1 (Non-Discrimination Statement), Form F-2 (Proposed Schedule of M/WBE Participation), Form F-3 (Minority and Women Business Enterprise Good Faith Effort), Form G (Local Preference) and all data, materials and information supporting the same.
- (c) All other forms, documents, materials, and other information required to be made a part of this Proposal Form, as indicated herein or in the Instructions to Offerors.

6. The undersigned further agrees that in case of failure on his part to execute said contract within ten (10) consecutive calendar days after written notice being given of the award of the contract, the Owner will consider default and will award contract to the next Offeror.

7. Communications concerning this Proposal shall be addressed to

**E. MINORITY EMPLOYMENT PROVISIONS** (up to 2 points) (please provide evidence regarding minority and female business participation goals; **NOTE: Form F regarding Minority Employment Provisions and all certifications and forms made a part of said document must be completed and submitted as a part of the sealed proposal).**

**F. LOCAL PREFERENCE** (up to 10 points) (for qualifications and evaluation criteria see Form G) Documentation must be submitted.

NOTE: The spaces provided above are not intended to limit the Offeror's response, and attachments for the purpose of providing a more detailed response are welcomed.

**AUTHORIZATION TO INVESTIGATE:** Offeror consents to and authorizes the full investigation of the information given herein or in such other forms completed in connection with this proposal and consents to representatives of LCIA contacting the named references, named financial institutions, and such other persons as may be needed to confirm such information, and waives any right Offeror may have for such information to remain confidential. The furnishing of false or misleading information or the intentional withholding of material facts (as determined by the LCIA in its sole discretion), shall be a reason for rejection of the proposal.

**STATEMENT PURSUANT TO O.C.G.A. § 36-91-21(d):** Offeror affirms that it has not prevented or endeavored to prevent any other person or entity from submitting a competing sealed proposal by any means whatsoever, or otherwise caused or induced another to withdraw a proposal from consideration. Offeror further affirms and covenants that it will make an oath confirming the foregoing (as required by O.C.G.A. § 36-91-21(e)) prior to commencing any work, should it be awarded the contract which is the subject of this proposal.

Liberty County Industrial Authority

**MINORITY EMPLOYMENT PROVISIONS**

**FORM F**

The Liberty County Industrial Authority (LCIA) actively encourages minority and women employment and participation in all contracts. Attention of the Offerors is called to contract conditions contained herein pertaining to non-discrimination, equal employment opportunity, subcontracts, and opportunities for project area residents.

It is the policy of the Liberty County Industrial Authority that minority/women owned business enterprises ("M/WBE") be given fair opportunity to participate in the performance of services for the Authority, and that prime contractors utilize minority and women owned subcontractors and suppliers to the fullest extent possible consistent with the efficient performance of the contract.

If no subcontractors will be used for this contract please provide a schedule of Offeror's workforce demonstrating compliance with M/WBE requirements set forth.

**The Liberty County Development Authority has established a 20% M/WBE goal for this project. The breakdown is as follows: 15% MBE, 5% Women Participation.**

In order to determine compliance, Offerors shall submit the following completed documents with their proposal:

1. Non-discrimination statement (FORM F-1)
2. Proposed schedule of minority/woman business enterprise participation (FORM F-2) **and/or;**
3. Documentation of Good Faith Efforts (FORM F-3) - The Good Faith Effort Documentation must be submitted when the Offeror **does not achieve** the target goal.

**Failure to submit the required documents may result in the proposal not being read or considered, or the loss of points assigned to the evaluation factor, minority participation, as is determined appropriate by the LCIA in its sole discretion.**

**Good Faith Efforts must include the following:**

1. Providing all documentation required by Form F-3.
2. Providing evidence that M/WBEs are solicited whenever they are potential sources.
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation of M/WBEs.
4. Establishing schedules, where the requirements of the work allows, which encourage participation of M/WBEs.
5. Requiring each subcontractor to take the affirmative steps outlined in Form F-3.
6. Advertising in general circulation media, or trade association publications, or minority and women business enterprise media to solicit proposals from M/WBE subcontractors or suppliers.

7. Designating portions of the work for M/WBE subcontracting in trades with established availability of M/WBE subcontractors.
8. Providing a minimum of five (5) days' notice to M/WBEs when requesting proposals for furnishing material or services as a subcontractor or supplier.

The Offeror is required to fulfill any M/WBE utilization commitments made unless good cause is demonstrated for any failure to fulfill such commitment. **Written approval is required for substitution.**

The Offeror will maintain records and information necessary to document compliance with Good Faith Effort requirements, and the Authority shall have the right to inspect such records during the contract term.

No Offeror shall enter into an agreement with any M/WBE that would in any way limit the M/WBE's opportunities to sell to, or act as subcontractor for, any other party. Violation of this requirement would be grounds to deem the Offeror non-responsive to this proposal solicitation.

The following resources are available to aid Offerors in complying with this section:

1. The Georgia Department of Transportation (GDOT) has established a directory of qualified M/WBEs to assist contractors in engaging M/WBE subcontractors. Information is available online at <http://www.dot.ga.gov/PS/Business/Contractors>
2. The State of Georgia also maintains an M/WBE directory on the Department of Administrative Services, which is located at [http://ssl.doas.state.ga.us/PRSapp/Ven\\_search\\_criteria.jsp](http://ssl.doas.state.ga.us/PRSapp/Ven_search_criteria.jsp).
3. The City of Savannah also maintains a M/WBE program. Information can be found at [www.savannahga.gov](http://www.savannahga.gov).
4. Additional information can be obtained by contacting:  
Strategic Business Solutions  
Phone: 912-368-3475  
425 W. Oglethorpe Hwy.  
Hinesville, GA 31313.

Liberty County Industrial Authority

**NONDISCRIMINATION STATEMENT**

**FORM F-1**

The Offeror certifies that:

- (1) No person shall be excluded from participation in, denied the benefit of, or otherwise discriminated against on the basis of race, color, national origin, or gender in connection with any proposal submitted to the Liberty County Industrial Authority or the performance of any contract resulting therefrom;
- (2) That it is and shall be the policy of the Offeror to provide equal opportunity to all business persons seeking to contract or otherwise interested in contracting with the Offeror, including those companies owned by and controlled by racial minorities and women;
- (3) The Offeror has been made aware of, understands and agrees to take affirmative action to provide those companies owned and controlled by racial minorities and women with the maximum practicable opportunities to do business with the Offeror;
- (4) That this promise of non-discrimination as made and set forth herein shall be continuing in nature and shall remain in full force and effect without interruption;
- (5) That the promises of non-discrimination as made and set forth herein shall be and are hereby deemed to be made as part of and incorporated by reference into any contract or portion thereof which the Offeror may hereafter obtain; and
- (6) That the failure of the Offeror to satisfactorily discharge any of the promises of non-discrimination as made and set forth herein shall constitute a material breach of contract entitling the Liberty County Industrial Authority to declare the contract in default and to exercise any and all applicable rights and remedies including but not limited to cancellation of the contract, termination of the contract, suspension and debarment from future contracting opportunities, and withholding and or forfeiture of compensation due and owing on a contract.

- (1) Evidence of solicitation to prospective MBE or WBE firms, such as advertisements, phone logs and copies of solicitation letters, and emails.
- (2) List by trade of certified MBE and WBE subcontractors solicited but not selected, including name, address, telephone number, contact person, date of contact, and outcome of contact, **including dollar amount of MBE quote and selected subcontractor quote.**
- (3) List of any job-specific criteria that disqualified a certified MBE or WBE firm that submitted a low proposal for a subcontract.

Liberty County Industrial Authority

LOCAL PREFERENCE QUALIFICATIONS

FORM G

Documentation to show qualifications must be submitted with RFP.

- (a) Except as otherwise required by applicable state or federal law, in the contracting for goods and services of all kinds and description, when such goods are to be obtained, whether through an invitation for bids or a request for competitive sealed proposals, local preference shall be given to:
  - a. Businesses having a business location within the geographic boundaries of Liberty County; and
  - b. Businesses where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County; and
  - c. Businesses where at least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County.
  
- (b) For purposes of this section:
  - (1) The term "business location" means that the business has a staffed, fixed, physical, place of business located within Liberty County and has had the same for at least one year prior to the date of the business' submission of its proposal or bid, as applicable and has held a valid business license from Liberty County for the business at a fixed, physical, place of business, for at least one year prior to the date of the business' submission of its proposal or bid, as applicable.
  
  - (2) The term "residents of Liberty County" means persons whose residence is within the geographic boundaries of Liberty County; and
  
  - (3) The residence of any person shall be held to be that place in which such person's habitation is fixed, without any present intention of removing therefrom.
  
- (c) Whenever goods or **services** of any kind or description are to be obtained through the solicitation of competitive sealed proposals, local preference shall be included as an evaluation criterion to be considered by the vendor selection committee. In this regard, ten (10) of the total points available to each Offeror shall be awarded on the basis of whether the Offeror has a business location within the geographic boundaries of Liberty County, or has a business where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County, or has a business where at least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County. Offerors having a business location within Liberty County or having a business where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County or having a business where at least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County, shall be entitled to and shall receive the local preference points provided for in this section.
  
- (d) Whenever goods or services of any kind or description are to be obtained through an invitation for bids, for the purpose of making an award to the lowest responsible bidder where two or more bidders have submitted the lowest bid with each of said bids being otherwise equal with respect to cost, but only one such bidder has a business location within Liberty County, or has a business where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County, or has a business where at least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County, then the recommendation for award shall be in favor of the bidder having a business location within Liberty County, or having a business where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County, or having a business where at

least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County.

- (e) Whenever a proposal or bid is submitted by a partnership, or joint venture, the local preference provided for in this section shall be awarded if the Offeror or bidder, or any member of the Offeror or bidder, defined as a business that is a signatory to the partnership or joint venture agreement, has a business location within Liberty County, or has a business where at least 51 percent of the owners of the business are residents of Liberty County but the business is located outside of Liberty County, or has a business where at least 51 percent of the employees of the business are residents of Liberty County but the business is located outside of Liberty County. No local preference shall be given on the basis of the business location, the percentage of owners of the business whom are residents of Liberty County, or the percentage of employees of the business whom are residents of Liberty County of any affiliated business, subcontractor, or consultant.
  
- (f) Each business seeking local preference points under section 102-358 shall certify under oath that it is eligible to receive the local preference points as set forth above as a part of the submission of its proposal or bid to Liberty County Industrial Authority and, in the event the affidavit or other declaration under oath is determined to be false, such business shall be deemed "non-responsive" and shall not be considered for award of the applicable contract.

## EXHIBIT A – SCOPE OF SERVICES

### PERFORMANCE SPECIFICATIONS

This exhibit sets forth the performance specifications and scope of services to be provided by the **Offeror** for the LCIA under the above-referenced Landscape Management Proposal. Any work performed in addition to these specific services will be invoiced separately as described within this document under "Additional Services."

### PROPERTIES TO BE SERVICED

Site-specific technical requirements are outlined for each property in the attached pages as follow:

- A. TRADEPORT EAST BUSINESS CENTER
- B. TRADEPORT WEST BUSINESS CENTER
- C. MIDWAY INDUSTRIAL PARK
- D. MIDCOAST REGIONAL AIRPORT
- E. LCIA OFFICE BUILDING
- F. SUNBURY CEMETERY

### REQUIREMENTS AT ALL PROPERTIES

The following requirements shall be fulfilled any time Contractor is performing duties in connection with the Landscape Management Services Agreement and are applicable to all properties:

#### I. PERSONNEL

- A. **Contractor** will provide all labor, transportation and supervision necessary to perform the work described herein.
- B. Field personnel will be equipped with all necessary supplies, tools, parts and equipment, uniforms and trained to perform work in a safe manner.
- C. Personnel will be licensed for all applicable maintenance functions, including any pesticide applications, as required by law.
- D. **Contractor** recognizes that its personnel are perceived as representatives of the **LCIA** while on the **LCIA's** property and, as such, will conduct themselves in an efficient, well-mannered, well-groomed and workmanlike manner at all times.
- E. Any damage caused by **Contractor** personnel shall be repaired promptly at no cost to the **LCIA**.
- F. **Contractor** may utilize qualified subcontractors at any time during this contract period (e.g. sod replacement, and irrigation). Offerors are advised they will be required to submit proof of their registration with and ongoing participation in the E-Verify program established by the United States Department of Homeland Security.
- G. All work performed by **Contractor** will be coordinated with the **LCIA** to minimize disruption and to maximize safety to people and vehicular traffic on the property.

#### II. CONTRACTOR'S VEHICLES AND EQUIPMENT

- H. **Contractor** service vehicles must be well maintained and clean in appearance. Vehicles must be properly licensed and tagged, and operated only by licensed personnel.
- I. All **Contractor** vehicles must operate in a safe and courteous manner while on the **LCIA's** property. Pedestrians have the right-of-way, and service vehicles are expected to yield.
- J. All trailers, storage facilities, and maintenance equipment must be in good condition and present a clean and neat appearance.
- K. Tools and equipment must be properly suited for their purpose and used in a safe manner utilizing the appropriate safety gear when necessary.

#### III. ADDITIONAL PROVISIONS

- L. Property inspections will be conducted regularly by an authorized **Contractor** representative. **Contractor** will document and correct any landscape maintenance deficiencies identified within one week or provide a status update for work requiring a longer period to accomplish. The contractor will also do an inspection with an LCIA representative as requested.
- M. **Contractor** will provide the **LCIA** with a contact list for use in case of emergencies and will have personnel on call after regular business hours to respond accordingly.
- N. **Contractor** will be proactive in identifying any landscape site conditions that affect long-term plant health and vigor and will advise the **LCIA** accordingly. **Contractor** will only be responsible for replacement of plant material that dies as a direct and identifiable result of improper maintenance practices.
- O. **Contractor** and the **LCIA** agree that **Contractor** is an independent contractor and, as such, shall assume liability for its own withholding taxes, social security taxes, unemployment taxes, licenses and insurance pertaining to its employees or operations.
- P. **Contractor** agrees to secure and maintain in effect at all times, at its own expense, general liability, automobile, and workers compensation insurance limits of commercial general liability - \$1,000,000 per occurrence; automobile liability - \$1,000,000 per occurrence; and statutory workers compensation coverage.
- Q. **Contractor** shall maintain applicable licenses and permits within the cities, counties and states of operation.
- R. As applicable, **Contractor** agrees to pay all sales taxes on materials supplied. The **LCIA** agrees that if sales taxes become applicable to the services or any portion(s) thereof, they will pay these taxes in addition to the fees quoted in the Landscape Maintenance Service Agreement.

#### IV. **ADDITIONAL SERVICES**

- A. **Contractor** will provide routine services (such as irrigation repair and plant material replacement), special services and/or landscape enhancements over and above the Contract Specifications with written approval from an authorized management representative of the **LCIA**.

**A. TRADEPORT EAST BUSINESS CENTER  
706 Sunbury Blvd., Midway GA**

Areas to be maintained shall include areas on either side of Sunbury Road, Dunwoody Court and Tradeport East Boulevard from wood line to wood line. Exceptions include property between Target and Pactra/Hankook buildings, where mowing shall be done up to and around the lift station. All landscaping maintenance stops at the end of the pavement on Sunbury Road.

**V. LANDSCAPE MAINTENANCE PROGRAM**

**A. Grass Areas**

**1. Mowing**

- a. Frequency of mowing is determined by the type of grass being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance of the grass. Mowing of all grass areas shall occur at seven-day intervals during the peak growing seasons and shall be mowed as needed during the remainder of the year. Scheduled cuts missed due to inclement weather will be made up as soon as possible.
- b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
- c. Scalping will be conducted on all warm season grass areas in early spring to remove dormant grass. Extra precaution shall be taken during the mowing season to prevent scalping of uneven high spots or berms. Particular care shall be exercised to prevent scalp damage due to sharp turning, starting and stopping on sods.
- d. Various mowing patterns will be employed to ensure an even distribution of clippings and to prevent ruts caused by mowers. Clippings may be left on the grass unless they become dense enough to cause an unsightly appearance. Clippings must be removed from all paved areas, sidewalks, parking lots, steps, and other non-grass areas after each mowing.

**2. Edging and Trimming**

- a. **Contractor** will neatly edge and trim upon every visit around all plant beds, curbs, parkways, driveways, and grass areas, etc. to maintain the shape and configuration of all planting beds, and a neat overall appearance where grass meets plant beds or concrete edges.
- b. Edging equipment will be equipped with manufacturer's guards to deflect hazardous debris.
- c. All grass runners will be removed after edging to maintain mulch areas free of weeds or encroaching grass.
- d. All grass areas will be trimmed weekly to coincide with mowing.
- e. String trimming will be performed as needed.
- f. Areas mutually agreed to be inaccessible by mowing machinery will be maintained with string trimmers or chemical means as environmental conditions permit.

**3. Debris Removal**

- a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
- b. Blowing of all clippings and debris from roadways and parking lots shall be conducted during each weekly visit.
- c. Removal of all debris generated on the property during landscape maintenance is the sole responsibility of the **Contractor**, at no additional expense to the **LCIA**.

4. Fertilizer
  - a. Grass will be fertilized according to the type four times per growing season utilizing rates of fertilizer, specified according to soil analysis.
  - b. All sidewalks, roads, and curbs will be swept clean of any granular fertilizer after application to minimize staining.
  - c. Soil testing of grass areas will be performed one (1) time per year to evaluate pH & nutrient content. Reports shall be maintained and submitted monthly with invoicing to LCDA.
  
5. Insect, Disease and Weed Control
  - a. Treatment of grass areas for insect infestation and weed control will be the responsibility of **Contractor**. **Fungicides will be used as necessary but at an additional charge after owner's approval.**
  - b. Pre-emergence herbicide applications shall be made two times per year for warm season grass and cool season grass to prevent grass weed infestation in grass areas.
  - c. Post-emergent herbicides shall be applied to all grass locations during the growing season to control any weed escapes. Applications shall not be made during stressful environmental grass growing conditions.
  - d. All products will be applied as directed by the manufacturers' instructions and in accordance with all state and federal regulations.
  - e. All **Contractors** shall possess all licenses or certifications and other approvals if any are required by law.
  - f. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.

## B. Plant Material

1. Shrubs
  - a. Pruning of all ornamental shrubs (up to 15' in height) and ground covers and the removal of any dead branches shall be conducted at least four times per year or as required to maintain a neatly shaped appearance. The frequency and configuration of pruning shall depend upon horticultural standards for all shrub species; however, a deep prune to obtain uniformity shall be performed in early winter.
  - b. Any plant material that is damaged or obstructing traffic (e.g., pedestrian, automobile) will be pruned as needed.
  - c. Partially dead shrubs shall be trimmed back to remove necrotic areas.
  - d. Clippings are to be removed by **Contractor** following pruning.
  
2. Tree Maintenance
  - a. Small Trees (up to 15 feet in height) - will be trimmed and shaped, to encourage good growth habits. This shall include the removal of all water sprouts, suckers, deformed growth and necrotic branches. All clippings and debris should be removed from the property the day of pruning.
  - b. Broken or fallen tree branches shall be removed from the property during each weekly visit.
  - c. Fallen leaves shall be removed weekly from the property during late autumn and early winter (October – December).
  - d. Crape Myrtle Pruning - Crape Myrtles will be pruned before the emergence of spring growth to promote vigorous blooming and desired size and shape; branches will be trimmed back individually.
  - e. Palm tree maintenance shall include removing all brown palm fronds at the beginning of every spring.
  - f. Tree work at elevations above 15 feet from the ground is not included within this agreement. Work can be provided as a separate service.
  - g. **Contractor** will maintain staking and guying of new trees; re-staking of trees due to extreme weather can be provided as a separate, billable service.
  
3. Edging and Trimming
  - a. Edging of all shrub/tree beds shall be performed once monthly from November – April and at least two (2) times per month from May – October.

- b. Groundcovers will be confined to plant bed areas by manual or chemical means as environmental conditions permit.
  - c. "Weed eating" type edging will not be used around trees.
4. Insect, Disease and Weed Control
- a. Plants will be treated chemically as needed to effectively control insect infestation and disease when environmental and horticultural conditions permit. In cases where extraordinary diseases or pests do not respond to standard chemical treatments **Contractor** will consult the LCIA and advise accordingly.
  - b. Post-emergence herbicides shall be carefully utilized as spot treatments in shrub beds during the growing season for control of weed escapes.
  - c. Disease analysis and the application of effective fungicides to control any observed fungi diseases in ornamental trees and shrubs shall be made in a timely manner.
  - d. Open ground plant beds will be treated by manual or chemical means to control weed pressure, as environmental, horticultural, and weather conditions permit.
  - e. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.
5. Fertilization
- a. Shrubs and ground cover will be fertilized two (2) times per year. Fertilization typically occurs in spring and fall, according to environmental conditions.
  - b. Trees will be fertilized utilizing a balanced "tree fertilizer" at recommended rates according to the size of the trees. Trees will be fertilized one (1) time per year.
  - c. Soil testing of bed areas will be performed one (1) time per year to evaluate pH & nutrient content, and a report will be provided to LCIA.
6. Pine straw
- a. Pine straw will be replaced twice per year in a neatly tucked manner to maintain a clean edge where pine straw meets grass or surrounding surfaces.
- C. **Irrigation** – There are two (2) irrigation clocks at Tradeport East. One is in the front of the park and the other is at the back.
- 1. **Contractor** will inspect the performance of the **LCIA's** irrigation system once per month. This will include inspection of irrigation heads, timer mechanism, and each zone. The system will be inspected visually for hot spots and line breaks with each additional visit to the property.
  - 2. Irrigation rotors and spray nozzles will be kept free of grass and other plant material to ensure proper performance.
  - 3. Minor nozzle adjustments and cleaning and timer adjustments will be performed with no additional charge.
  - 4. **Contractor** will promptly inform the LCIA of any system malfunction or deficiencies.
  - 5. Repairs for items such as head replacement, broken lines, pumps or timers will be performed upon the LCIA's approval and invoiced accordingly. Any damage caused by **Contractor** personnel shall be repaired promptly at no cost to the **LCIA**. In the event that a problem arises to the system that could result in additional damage occurring or threat to safety, **Contractor** will immediately make the necessary repairs and then contact the LCIA.
  - 6. Contractor is responsible for the spring start up and winterization of the irrigation system.
- D. **Pond Maintenance**
- 1. Pond areas will be mowed at least once at the end of the growing season. Additional cuts may be requested by Owner to maintain aesthetics.
  - 2. Pond banks will be maintained with string trimming as needed to maintain aesthetics.
  - 3. Trash and debris should be removed from around the pond areas during each visit or a minimum of once per month.
  - 4. Fallen trees and/or shrubs should be removed during each visit.

**B. TRADEPORT WEST BUSINESS CENTER**  
760 South Coastal Highway, Midway GA

Pricing for the mowing of Tradeport West Business Center (Section B, Form D) should assume rough mowing alongside of front entrance road to cul de sac three times per year as well as debris removal and trimming maintenance along logging roads off of Smiley Hall Road to allow for unobstructed vehicular traffic.

**I. LANDSCAPE MAINTENANCE PROGRAM**

**A. Grass Areas**

1. Rough Mowing

- a. Frequency of mowing shall be a minimum of three times per year or as requested.
- b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
- c. Various mowing patterns will be employed to ensure an even distribution of clippings and to prevent ruts caused by mowers. Grass clippings will be left on the lawn to restore nutrients, unless they create an unsightly appearance.

2. Debris Removal

- a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
- b. Area for debris removal includes both sides of front entrance road including cul de sac area, entire length of two roads splitting off Smiley Hall Road, and up to western side of the rail.

**B. Tree and Shrub Maintenance**

- 1. Trees and shrubs along dirt roads shall be trimmed a minimum of two times per year or as needed to maintain unobstructed vehicular traffic year round.

C. MIDWAY INDUSTRIAL PARK  
Industrial Blvd., Midway GA

Easements to be maintained refer to 40 feet on either side of the roads and rail easement used to access lot 8. Lot 8 mowing is a line item included under bush hogging in the Midway Industrial Park.

VI. LANDSCAPE MAINTENANCE PROGRAM

A. Grass Areas

1. Mowing

- a. Frequency of mowing is determined by the type of grass being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance of the grass. Mowing of all grass areas shall occur at seven-day intervals during the peak growing seasons and shall be mowed as needed during the remainder of the year. Scheduled cuts missed due to inclement weather will be made up as soon as possible.
- b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
- c. Scalping will be conducted on all warm season grass areas in early spring to remove dormant grass. Extra precaution shall be taken during the mowing season to prevent scalping of uneven high spots or berms. Particular care shall be exercised to prevent scalp damage due to sharp turning, starting and stopping on sods.
- d. Clippings may be left on the grass unless they become dense enough to cause an unsightly appearance. Clippings must be removed from all paved areas, sidewalks, parking lots, steps, and other non-grass areas after each mowing.
- e. A consistent height of no less than 2" and no greater than 3" must be maintained that will encourage healthy growth and neatly exhibit the beauty of the lawn.
- f. Bush hogging lot 8 and access easements as requested.

2. Edging and Trimming

- a. **Contractor** will neatly edge and trim upon every visit around all plant beds, curbs, streets, trees, and buildings, etc. to maintain the shape and configuration of all planting beds..
- b. Edging equipment will be equipped with manufacturer's guards to deflect hazardous debris.
- c. All sidewalks will be blown after edging to maintain a clean, well-groomed appearance.
- d. All grass runners will be removed after edging to maintain mulch areas free of weeds or encroaching grass.
- e. String trimming will be performed as needed.
- f. Areas mutually agreed to be inaccessible by mowing machinery will be maintained with string trimmers or chemical means as environmental conditions permit.

3. Debris Removal

- a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
- b. Blowing of all clippings and debris from roadways and parking lots shall be conducted during each weekly visit.
- c. Removal of all debris generated on the property during landscape maintenance is the sole responsibility of **Contractor**, at no additional expense to the **LCIA**.

4. Fertilizer

- a. Grass will be fertilized according to the type four times per growing season utilizing rates of fertilizer, specified according to soil analysis.
- b. All sidewalks, roads, and curbs will be swept clean of any granular fertilizer after application to minimize staining.
- a. Soil testing of grass areas will be performed one (1) time per year to evaluate pH & nutrient content. Reports shall be submitted monthly with invoices.

5. Insect, Disease and Weed Control
  - a. Treatment of grass areas for insect infestation and weed control will be the responsibility of **Contractor**. **Fungicides will be used as necessary but at an additional charge after owner's approval.**
  - b. Pre-emergence herbicide applications shall be made two times per year for warm season grass and cool season grass to prevent grass weed infestation in grass areas.
  - c. Post-emergent herbicides shall be applied to all grass locations during the growing season to control any weed escapes. Applications shall not be made during stressful environmental grass growing conditions.
  - d. All products will be applied as directed by the manufacturers' instructions and in accordance with all state and federal regulations.
  - e. All **Contractors** shall possess all licenses or certifications and other approvals if any are required by law.
  - f. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.

## B. Plant Material

1. Shrubs
  - a. Pruning of all ornamental shrubs (up to 15' in height) and ground covers and the removal of any dead branches shall be conducted at least four times per year or as required to maintain a neatly shaped appearance. The frequency and configuration of pruning shall depend upon horticultural standards for all shrub species; however, a deep prune to obtain uniformity shall be performed in early winter.
  - b. Any plant material that is damaged or obstructing traffic (e.g., pedestrian, automobile) will be pruned as needed.
  - c. Partially dead shrubs shall be trimmed back to remove necrotic areas.
  - d. Clippings are to be removed by **Contractor** following pruning.
2. Tree Maintenance
  - a. Small Trees (up to 15 feet in height) - will be trimmed and shaped, to encourage good growth habits. This shall include the removal of all water sprouts, suckers, deformed growth and necrotic branches. All clippings and debris should be removed from the property the day of pruning.
  - b. Broken or fallen tree branches shall be removed from the property during each weekly visit.
  - c. Fallen leaves shall be removed weekly from the property during late autumn and early winter (October – December).
  - d. Crape Myrtle Pruning - Crape Myrtles will be pruned before the emergence of spring growth to promote vigorous blooming and desired size and shape; branches will be trimmed back individually.
  - e. Tree work at elevations above 15 feet from the ground is not included within this agreement. Work can be provided as a separate service.
  - f. **Contractor** will maintain staking and guying of new trees; re-staking of trees due to extreme weather can be provided as a separate, billable service.
3. Edging and Trimming
  - a. Edging of all shrub/tree beds shall be performed once monthly from November – April and at least two (2) times per month from May – October.
  - b. Groundcovers will be confined to plant bed areas by manual or chemical means as environmental conditions permit.
  - c. "Weed eating" type edging will not be used around trees.
4. Insect, Disease and Weed Control
  - a. Plants will be treated chemically as needed to effectively control insect infestation and disease when environmental and horticultural conditions permit. In cases where extraordinary diseases or pests do not respond to standard chemical treatments **Contractor** will consult the **LCIA** and advise accordingly.

- b. Post-emergence herbicides shall be carefully utilized as spot treatments in shrub beds during the growing season for control of weed escapes.
  - c. Disease analysis and the application of effective fungicides to control any observed fungi diseases in ornamental trees and shrubs shall be made in a timely manner.
  - d. Open ground plant beds will be treated by manual or chemical means to control weed pressure, as environmental, horticultural, and weather conditions permit.
  - e. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log will be submitted monthly with invoicing.
5. Fertilization
- a. Shrubs and ground cover will be fertilized two (2) times per year. Fertilization typically occurs in spring and fall, according to environmental conditions.
  - b. Trees will be fertilized utilizing a balanced "tree fertilizer" at recommended rates according to the size of the trees. Trees will be fertilized one (1) time per year.
  - c. Soil testing of bed areas will be performed one (1) time per year to evaluate pH & nutrient content, and a report will be provided to LCDA.
6. Pine straw
- a. Pine straw will be replaced twice per year in a neatly tucked manner to maintain a clean edge where pine straw meets grass or surrounding surfaces.

### C. Irrigation

- 1. **Contractor** will inspect the performance of the **LCIA's** irrigation system once per month. This will include inspection of irrigation heads, timer mechanism, and each zone. The system will be inspected visually for hot spots and line breaks with each additional visit to the property.
- 2. Irrigation rotors and spray nozzles will be kept free of grass and other plant material to ensure proper performance.
- 3. Minor nozzle adjustments and cleaning and timer adjustments will be performed with no additional charge.
- 4. **Contractor** will promptly inform the LCIA of any system malfunction or deficiencies.
- 5. Repairs for items such as head replacement, broken lines, pumps or timers will be performed upon the LCIA's approval and invoiced accordingly. Any damage caused by **Contractor** personnel shall be repaired promptly at no cost to the **LCIA**. In the event that a problem arises to the system that could result in additional damage occurring or threat to safety, **Contractor** will immediately make the necessary repairs and then contact the LCIA.
- 6. Contractor is responsible for the spring start up and winterization of the irrigation system.

D. MIDCOAST REGIONAL AIRPORT  
1116 E. Lowe Circle, Fort Stewart GA 31314

VII. LANDSCAPE MAINTENANCE PROGRAM

A. Grass Areas

The Lawn at MidCoast Regional Airport consists of 2 different types of grasses. Offerors are responsible for recognizing the differences in species and using proper maintenance techniques for those species.

1. Mowing
  - a. Frequency of mowing is determined by the type of grass being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance of the grass. Mowing of all grass areas shall occur at seven-day intervals during the peak growing seasons and shall be mowed as needed during the remainder of the year. Scheduled cuts missed due to inclement weather will be made up as soon as possible.
  - b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
  - c. Scalping will be conducted on all warm season grass areas in early spring to remove dormant grass. Extra precaution shall be taken during the mowing seasons to prevent scalping of uneven high spots or berms. Particular care shall be exercised to prevent scalp damage due to sharp turning, starting and stopping on sods.
  - d. Clippings may be left on the grass unless they become dense enough to cause an unsightly appearance. Clippings must be removed from all paved areas, sidewalks, parking lots, steps, and other non-grass areas after each mowing.
  - e. A consistent height of no less than 2" and no greater than 3" must be maintained that will encourage healthy growth and neatly exhibit the beauty of the lawn.
  
2. Edging and Trimming
  - a. **Contractor** will neatly edge and trim upon every visit around all plant beds, curbs, parkways, driveways, and grass areas, etc. to maintain the shape and configuration of all planting beds, and a neat overall appearance.
  - b. Edging equipment will be equipped with manufacturer's guards to deflect hazardous debris.
  - c. All sidewalks will be blown after edging to maintain a clean, well-groomed appearance.
  - d. All grass runners will be removed after edging to maintain mulch areas free of weeds or encroaching grass.
  - e. All grass areas will be trimmed weekly to coincide with mowing.
  - f. String trimming will be performed as needed.
  - g. Areas mutually agreed to be inaccessible by mowing machinery will be maintained with string trimmers or chemical means as environmental conditions permit.
  
3. Debris Removal
  - a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
  - b. Blowing of all clippings and debris from sidewalks, walkways, curbs, and parking lots shall be conducted during each weekly visit.
  - c. Removal of all debris generated on the property during landscape maintenance is the sole responsibility of the **Contractor**, at no additional expense to the **LCIA**.
  
4. Fertilizer
  - a. Grass will be fertilized according to the type four times per growing season utilizing rates of fertilizer, specified according to soil analysis.
  - b. All sidewalks, roads, and curbs will be swept clean of any granular fertilizer after application to minimize staining.
  - c. Soil testing of grass areas will be performed one (1) time per year to evaluate pH & nutrient content. Reports shall be submitted monthly with invoices.

5. Insect, Disease and Weed Control

- a. Treatment of grass areas for insect infestation and weed control will be the responsibility of **Contractor**. **Fungicides will be used as necessary but at an additional charge after owner's approval.**
- b. Pre-emergence herbicide applications shall be made two times per year for warm season grass and cool season grass to prevent grass weed infestation in grass areas.
- c. Post-emergent herbicides shall be applied to all grass locations during the growing season to control any weed escapes. Applications shall not be made during stressful environmental grass growing conditions.
- d. All products will be applied as directed by the manufacturers' instructions and in accordance with all state and federal regulations.
- e. All **Contractors** shall possess all licenses or certifications and other approvals if any are required by law.
- f. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.

**B. Plant Material**

1. Shrubs

- a. Pruning of all ornamental shrubs (up to 15' in height) and ground covers and the removal of any dead branches shall be conducted at least four times per year or as required to insure a neatly shaped appearance. The frequency and configuration of pruning shall depend upon horticultural standards for all shrub species; however, a deep prune to obtain uniformity shall be performed in early winter.
- b. Any plant material that is damaged or obstructing traffic (e.g., pedestrian, automobile) will be pruned as needed.
- c. Partially dead shrubs shall be trimmed back to remove necrotic areas.
- d. Clippings are to be removed by **Contractor** following pruning.

2. Tree Maintenance

- a. Small Trees (up to 15 feet in height) - will be trimmed and shaped, to encourage good growth habits. This shall include the removal of all water sprouts, suckers, deformed growth and necrotic branches. All clippings and debris should be removed from the property the day of pruning.
- b. Crape Myrtle Pruning – Crape Myrtles will be pruned before the emergence of spring growth to promote vigorous blooming and desired size and shape; branches will be trimmed back individually.
- c. Broken or fallen tree branches shall be removed from the property during each weekly visit.
- d. Fallen leaves shall be removed weekly from the property during late autumn and early winter (October – December).
- e. Palm tree maintenance shall include removing all brown palm fronds at the beginning of every spring.
- f. Tree work at elevations above 15 feet from the ground is not included within this agreement. Work can be provided as a separate service.
- g. **Contractor** will maintain staking and guying of new trees; re-staking of trees due to extreme weather can be provided as a separate, billable service.

3. Edging and Trimming

- a. Edging of all shrub/tree beds shall be performed once monthly from November – April and at least two (2) times per month from May – October.
- b. Groundcovers will be confined to plant bed areas by manual or chemical means as environmental conditions permit.
- c. "Weed eating" type edging will not be used around trees.

4. Insect, Disease and Weed Control

- a. Plants will be treated chemically as needed to effectively control insect infestation and disease when environmental and horticultural conditions permit. In cases where extraordinary diseases or pests do not respond to standard chemical treatments **Contractor** will consult the **LCIA** and advise accordingly.

- b. Open ground plant beds will be treated by manual or chemical means to control weed pressure, as environmental, horticultural, and weather conditions permit.
  - c. Post-emergence herbicides shall be carefully utilized as spot treatments in shrub beds during the growing season for control of weed escapes.
  - d. Disease analysis and the application of effective fungicides to control any observed fungi diseases in ornamental trees and shrubs shall be made in a timely manner.
  - e. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.
5. Fertilization
- a. Shrubs and ground cover will be fertilized two (2) times per year. Fertilization typically occurs in spring and fall, according to environmental conditions.
  - b. Trees will be fertilized utilizing a balanced "tree fertilizer" at recommended rates according to the size of the trees. Trees will be fertilized one (1) time per year.
  - c. Soil testing of bed areas will be performed one (1) time per year to evaluate pH & nutrient content, and a report will be provided to LCIA.
6. Pine straw
- a. Pine straw will be replaced twice per year in a neatly tucked manner to maintain a clean edge where pine straw meets grass or surrounding surfaces.

### C. Irrigation

1. **Contractor** will inspect the performance of the **LCIA's** irrigation system once per month. This will include inspection of irrigation heads, timer mechanism, and each zone. The system will be inspected visually for hot spots and line breaks with each additional visit to the property.
2. Irrigation rotors and spray nozzles will be kept free of grass and other plant material to ensure proper performance.
3. Minor nozzle adjustments and cleaning and timer adjustments will be performed with no additional charge.
4. **Contractor** will promptly inform the LCIA of any system malfunction or deficiencies.
5. Repairs for items such as head replacement, broken lines, pumps or timers will be performed upon the LCIA's approval and invoiced accordingly. Any damage caused by **Contractor** personnel shall be repaired promptly at no cost to the LCIA. In the event that a problem arises to the system that could result in additional damage occurring or threat to safety, **Contractor** will immediately make the necessary repairs and then contact the LCIA.
6. Contractor is responsible for the spring start up and winterization of the irrigation system.

### D. Annuals

1. Annual flowers will be changed two (2) times per year with selected standard varieties best suited to the season and environmental conditions.
2. Fungicides and insecticides will be applied as needed to maintain healthy planting beds.
3. Annual flower beds will be serviced twenty-four (24) times per year to remove flowers that are fading or dead ("deadheading") to prolong blooming time and to improve the general appearance of the plant.
4. All soils are to be roto-tilled to a depth of ten (10) inches after removal and prior to installing new flowers.
5. "Flower Saver Plus®" (or a comparable product with beneficial soil micro-organisms and rich organic soil nutrients) will be incorporated in the annual flower planting soil at the time of each flower change. Supplemental top-dressing with a controlled-release fertilizer and/or soluble liquid fertilizer (such as Peters 20-20-20) will be applied to enhance flowering and plant vigor.

E. LCIA Office Building  
425 W. Oglethorpe Hwy., Hinesville GA 31313

The LCIA Office Building landscape maintenance will **NOT** be done on Mondays.

LANDSCAPE MAINTENANCE PROGRAM

A. Grass Areas

1. Mowing
  - a. Frequency of mowing is determined by the type of grass being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance of the grass. Mowing of all grass areas shall occur at seven-day intervals during the peak growing seasons and shall be mowed as needed during the remainder of the year. Scheduled cuts missed due to inclement weather will be made up as soon as possible.
  - b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
  - c. Clippings may be left on the grass unless they become dense enough to cause an unsightly appearance. Clippings must be removed from all paved areas, sidewalks, parking lots, steps, and other non-grass areas after each mowing.
  - d. Scalping will be conducted on all warm season grass areas in early spring to remove dormant grass. Extra precaution shall be taken during the mowing season to prevent scalping of uneven high spots or berms. Particular care shall be exercised to prevent scalp damage due to sharp turning, starting and stopping on sods.
  - e. A consistent height of no less than 2" and no greater than 3" must be maintained that will encourage healthy growth and neatly exhibit the beauty of the lawn.
2. Edging and Trimming
  - a. **Contractor** will neatly edge and trim upon every visit around all plant beds, curbs, parkways, driveways, and grass areas, etc. to maintain the shape and configuration of all planting beds, and a neat overall appearance.
  - b. Edging equipment will be equipped with manufacturer's guards to deflect hazardous debris.
  - c. All sidewalks will be blown after edging to maintain a clean, well-groomed appearance.
  - d. All grass runners will be removed after edging to maintain mulch areas free of weeds or encroaching grass.
  - e. All grass areas will be trimmed weekly to coincide with mowing.
  - f. Areas mutually agreed to be inaccessible by mowing machinery will be maintained with string trimmers or chemical means as environmental conditions permit.
3. Debris Removal
  - a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
  - b. Blowing of all clippings and debris from sidewalks, walkways, curbs, and parking lots shall be conducted during each weekly visit.
  - c. Removal of all debris generated on the property during landscape maintenance is the sole responsibility of the **Contractor**, at no additional expense to the **LCIA**.
4. Fertilizer
  - a. Grass will be fertilized according to the type four times per growing season utilizing rates of fertilizer, specified according to soil analysis.
  - b. All sidewalks, roads, and curbs will be swept clean of any granular fertilizer after application to minimize staining.
  - c. Soil testing of grass areas will be performed one (1) time per year to evaluate pH & nutrient content. Reports shall be submitted monthly with invoices.
5. Insect, Disease and Weed Control

- a. Treatment of grass areas for insect infestation and weed control will be the responsibility of **Contractor**. **Fungicides will be used as necessary but at an additional charge after owner's approval.**
- b. Pre-emergence herbicide applications shall be made two times per year for warm season grass and cool season grass to prevent grass weed infestation in grass areas.
- c. Post-emergent herbicides shall be applied to all grass locations during the growing season to control any weed escapes. Applications shall not be made during stressful environmental grass growing conditions.
- d. All products will be applied as directed by the manufacturers' instructions and in accordance with all state and federal regulations.
- e. All **Contractors** shall possess all licenses or certifications and other approvals if any are required by law.
- f. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.

## B. Plant Material

### 1. Shrubs

- a. Pruning of all ornamental shrubs (up to 15' in height) and ground covers and the removal of any dead branches shall be conducted at least four times per year or as required to maintain a neatly shaped appearance. The frequency and configuration of pruning shall depend upon horticultural standards for all shrub species; however, a deep prune to obtain uniformity shall be performed in early winter.
- b. Any plant material that is damaged or obstructing traffic (e.g., pedestrian, automobile) will be pruned as needed.
- c. Partially dead shrubs shall be trimmed back to remove necrotic areas.
- d. Clippings are to be removed by **Contractor** following pruning.

### 2. Tree Maintenance

- a. Small Trees (up to 15 feet in height) - will be trimmed and shaped, to encourage good growth habits. This shall include the removal of all water sprouts, suckers, deformed growth and necrotic branches. All clippings and debris should be removed from the property the day of pruning.
- b. Broken or fallen tree branches shall be removed from the property during each weekly visit.
- c. Fallen leaves shall be removed weekly from the property during late autumn and early winter (October – December).
- d. Crepe Myrtle Pruning – Crepe Myrtles will be pruned before the emergence of spring growth to promote vigorous blooming and desired size and shape; branches will be trimmed back individually.
- e. Tree work at elevations above 15 feet from the ground is not included within this agreement. Work can be provided as a separate service.
- f. **Contractor** will maintain staking and guying of new trees; re-staking of trees due to extreme weather can be provided as a separate, billable service.

### 3. Edging and Trimming

- a. Edging of all shrub/tree beds shall be performed once monthly from November – April and at least two (2) times a month from May – October.
- b. Groundcovers will be confined to plant bed areas by manual or chemical means as environmental conditions permit.
- c. "Weed eating" type edging will not be used around trees.

### 4. Insect, Disease and Weed Control

- a. Plants will be treated chemically as needed to effectively control insect infestation and disease when environmental and horticultural conditions permit. In cases where extraordinary diseases or pests do not respond to standard chemical treatments **Contractor** will consult the **LCIA** and advise accordingly.
- b. Open ground plant beds will be treated by manual or chemical means to control weed pressure, as environmental, horticultural, and weather conditions permit.
- c. Post-emergence herbicides shall be carefully utilized as spot treatments in shrub beds during the growing season for control of weed escapes.

- d. Disease analysis and the application of effective fungicides to control any observed fungi diseases in ornamental trees and shrubs shall be made in a timely manner.
  - e. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.
5. Fertilization
- a. Shrubs and ground cover will be fertilized two (2) times per year. Fertilization typically occurs in spring and fall, according to environmental conditions.
  - b. Trees will be fertilized utilizing a balanced "tree fertilizer" at recommended rates according to the size of the trees. Trees will be fertilized one (1) time per year.
  - c. Soil testing of bed areas will be performed one (1) time per year to evaluate pH & nutrient content, and a report will be provided to LCDA.
6. Pine straw
- a. Pine straw will be replaced twice per year in a neatly tucked manner to maintain a clean edge where pine straw meets grass or surrounding surfaces.

### C. Irrigation

- 1. **Contractor** will inspect the performance of the **LCIA's** irrigation system once per month. This will include inspection of irrigation heads, timer mechanism, and each zone. The system will be inspected visually for hot spots and line breaks with each additional visit to the property.
- 2. Irrigation rotors and spray nozzles will be kept free of grass and other plant material to ensure proper performance.
- 3. Minor nozzle adjustments and cleaning and timer adjustments will be performed with no additional charge.
- 4. **Contractor** will promptly inform the LCIA of any system malfunction or deficiencies.
- 5. Repairs for items such as head replacement, broken lines, pumps or timers will be performed upon the LCIA's approval and invoiced accordingly. Any damage caused by **Contractor** personnel shall be repaired promptly at no cost to the LCIA. In the event that a problem arises to the system that could result in additional damage occurring or threat to safety, **Contractor** will immediately make the necessary repairs and then contact the LCIA.
- 6. Contractor is responsible for the spring start up and winterization of the irrigation system.

### D. Annuals

- 1. Annual flowers will be planted on both sides of the sign located in front of the building. Plant selection shall be limited in height to maintain clear visibility of the sign.
- 2. Annual flowers will be changed two (2) times per year with selected standard varieties best suited to the season and environmental conditions.
- 3. Fungicides and insecticides will be applied as needed to maintain healthy planting beds.
- 4. Annual flower beds will be serviced twenty-four (24) times per year to remove flowers that are fading or dead ("deadheading") to prolong blooming time and to improve the general appearance of the plant.
- 5. All soils are to be roto-tilled to a depth of ten (10) inches after removal and prior to installing new flowers.
- 6. "Flower Saver Plus®" (or a comparable product with beneficial soil micro-organisms and rich organic soil nutrients) will be incorporated in the annual flower planting soil at the time of each flower change. Supplemental top-dressing with a controlled-release fertilizer and/or soluble liquid fertilizer (such as Peters 20-20-20) will be applied to enhance flowering and plant vigor.

### E. Pond Maintenance

- 7. Pond areas will be mowed at least once at the end of the growing season. Additional cuts may be requested by Owner to maintain aesthetics.
- 8. Pond banks will be maintained with string trimming as needed to maintain aesthetics.
- 9. Trash and debris should be removed from within pond areas during each visit or a minimum of once per month.
- 10. Fallen trees and/or shrubs should be removed during each visit.

**F. SUNBURY CEMETERY**  
Parcel of land located west of 117 Dutchman Cove Road, Midway GA

There is currently no physical address for the Sunbury Cemetery; the physical location shall be the parcel of land located west of 117 Dutchman Cove Road, Midway GA. Maintenance is generally conducted once a month or as requested.

**LANDSCAPE MAINTENANCE PROGRAM**

**A. Grass Areas**

1. Mowing

- a. Frequency of mowing is determined by the type of grass being serviced and adjusted to coincide with seasonal growth rates to maintain a consistent, healthy appearance of the grass. Mowing of grass area within the cemetery fence shall occur at 2 week intervals during the peak growing seasons and as needed to maintain overall aesthetics during the remainder of the year. Scheduled cuts missed due to inclement weather will be made up as soon as possible.
- b. Mower blades will be kept sharp at all times to prevent the tearing of grass blades.
- c. Scalping will be conducted on all warm season grass areas in early spring to remove dormant grass. Extra precaution shall be taken during the mowing seasons to prevent scalping of uneven high spots or berms. Particular care shall be exercised to prevent scalp damage due to sharp turning, starting and stopping on sods.
- d. Clippings may be left on the grass unless they become dense enough to cause an unsightly appearance. Clippings must be removed from all paved areas, sidewalks, parking lots, steps, and other non-grass areas after each mowing.

2. Debris Removal

- a. Prior to mowing, each area will be patrolled to remove trash and other debris to reduce the risk of object propulsion and debris scattering.
- b. Blowing of all clippings and debris from sidewalks, walkways, curbs, and parking lots shall be conducted during each weekly visit.
- c. Removal of all debris generated on the property during landscape maintenance is the sole responsibility of the **Contractor**, at no additional expense to the **LCIA**. (This includes road frontage area adjacent to cemetery site).

3. Insect, Disease and Weed Control

- a. Treatment of grass areas for insect infestation and weed control will be the responsibility of **Contractor**. **Fungicides will be used as necessary but at an additional charge after owner's approval.**
- b. Pre-emergence herbicide applications shall be made two times per year for warm season grass and for cool season grass to prevent grass weed infestation in grass areas.
- c. Post-emergent herbicides shall be applied to all grass locations during the growing season to control any weed escapes. Applications shall not be made during stressful environmental grass growing conditions.
- d. All products will be applied as directed by the manufacturers' instructions and in accordance with all state and federal regulations.
- e. All **Contractors** shall possess all licenses or certifications and other approvals if any are required by law.
- f. **Contractor** will maintain an application log and have MSDS sheets available for each product used on the **LCIA's** property. The application log shall be submitted monthly with invoices.

**B. Plant Material**

1. Tree Maintenance

- a. Broken or fallen tree branches shall be removed from the property during each weekly visit.
- b. Fallen leaves shall be removed weekly from the property during late autumn and early winter (October – December).
- c. Tree work at elevations above 15 feet from the ground is not included within this agreement. Work can be provided as a separate service.

**G. CONTRACTOR'S REPORTING REQUIREMENTS**

The enclosed documents are examples of reporting forms that will be required by the successful Offeror.

**Contractor Affidavit under O.C.G.A. § 13-10-91(b)(1)**

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, firm or corporation which is engaged in the physical performance of services on behalf of Liberty County Industrial Authority has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91. Furthermore, the undersigned contractor will continue to use the federal work authorization program throughout the contract period and the undersigned contractor will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the contractor with the information required by O.C.G.A. § 13-10-91(b). Contractor hereby attests that its federal work authorization user identification number and date of authorization are as follows:

\_\_\_\_\_  
Federal Work Authorization User Identification Number

\_\_\_\_\_  
Date of Authorization

**Subcontractor Affidavit under O.C.G.A. § 13-10-91(b)(3)**

By executing this affidavit, the undersigned subcontractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, firm or corporation which is engaged in the physical performance of services under a contract with C.A. Sittle, Inc. on behalf of Liberty County Industrial Authority has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91. Furthermore, the undersigned subcontractor will continue to use the federal work authorization program throughout the contract period and the undersigned subcontractor will contract for the physical performance of services in satisfaction of such contract only with sub-subcontractors who present an affidavit to the subcontractor with the information required by O.C.G.A. § 13-10-91(b). Additionally, the undersigned subcontractor will forward notice of the receipt of an affidavit from a sub-subcontractor to the contractor within five business days of receipt. If the undersigned subcontractor receives notice that a sub-subcontractor has received an affidavit from any other contracted sub-subcontractor, the undersigned subcontractor must forward, within five business days of receipt, a copy of the notice to the contractor. Subcontractor hereby attests that its federal work authorization user identification number and date of authorization are as follows:

## DESIGNATED WORK AREAS

TRADEPORT EAST BUSINESS CENTER  
706 Sunbury Blvd., Midway GA

Areas to be maintained shall include areas on either side of Sunbury Road, Dunwoody Court and Tradeport East Boulevard from wood line to wood line. Exceptions include property between Target and Pactra/Hankook buildings, where mowing shall be done up to and around the lift station. Areas alongside and beyond Pactra/Hankook's building to the end of the paved road shall be mowed along the road. All landscaping maintenance stops at the end of the pavement on Sunbury Road.

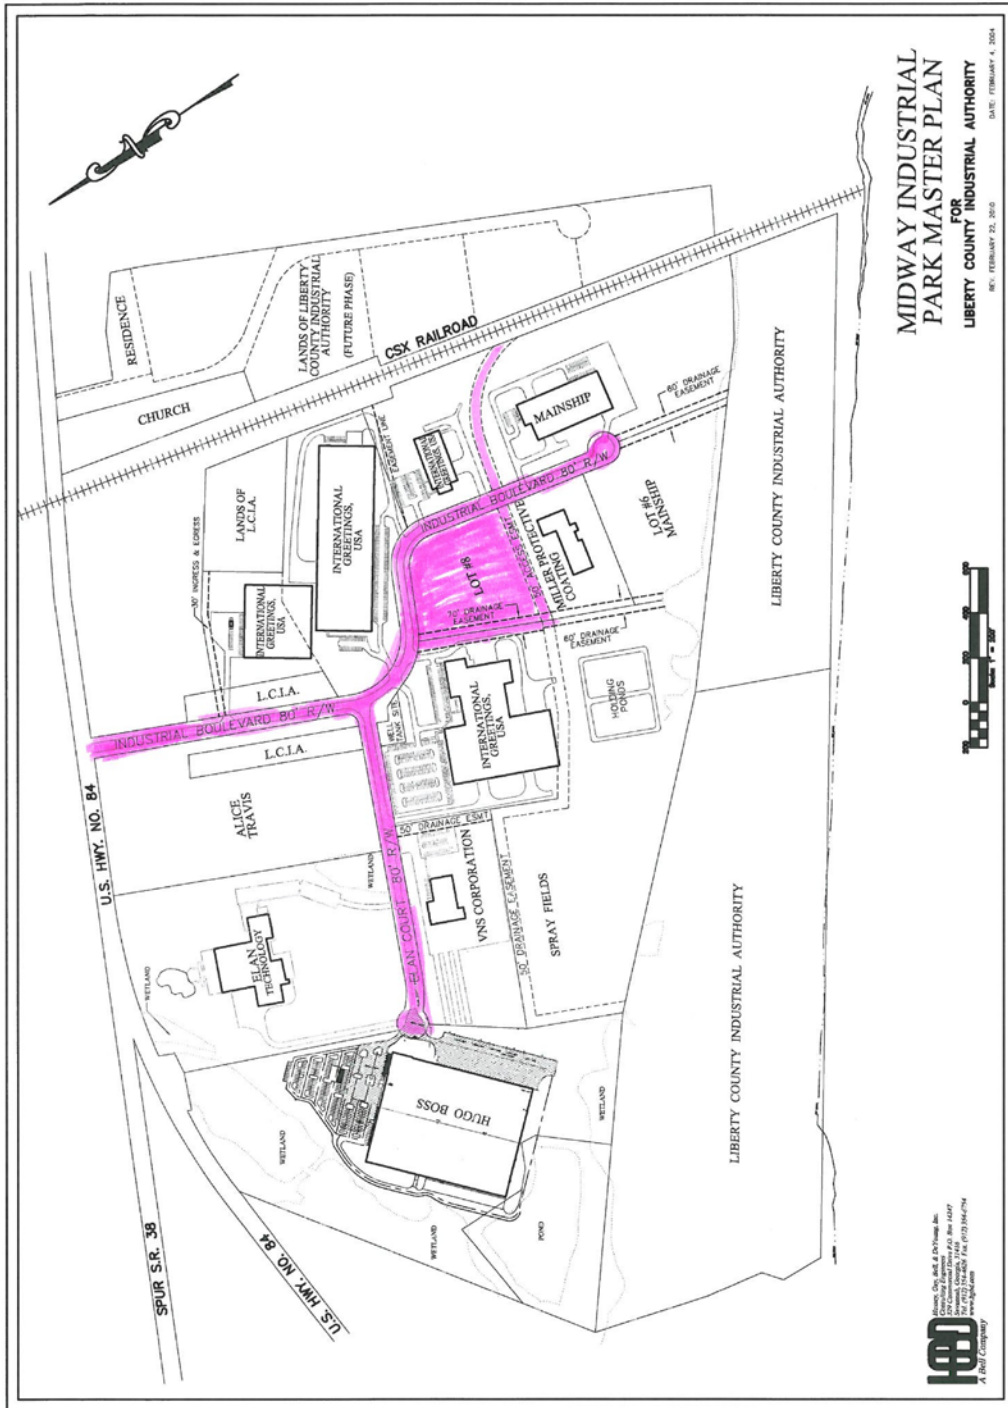

TRADEPORT WEST BUSINESS CENTER  
760 South Coastal Highway, Midway GA

Areas to be maintained include sides of the front entrance road to the cul de sac area three times per year and detailing maintenance of logging roads splitting off from Smiley Hall Road.
